Comments from Teachers and Teaching Assistants

Fun. Very useful. Quick-paced. Great handouts. Useful spelling strategies – am rethinking my own practice.

Excellent – useful immediately! Very engaging presentation!

Much appreciated – really fantastic looking at different software.

Wonderfully useful!

Very engaging. Good application to class. Helps with teaching practice – can apply across the curriculum.

Eye-opening and myth-busting!

Really informative, thank you. Will use some of the strategies.

Learnt a lot from the session. Enjoyable, fun and informative.

Enjoyed the session – learnt a lot about dyslexia.

Enjoyed the session – learned so much. Fantastic!

Loved your enthusiasm and passion. You are very interesting to listen to!

A brilliant session with so many useful ways to help children improve spellings and use a times table square.
